CESEPP NOTICE:

A “Certified Erosion and Sediment Control Plan Preparer” or “CESCPP” means a Civil Engineer licensed in the State of Hawaii who has a current Erosion and Sediment Control Plan Preparer Certificate from the Department. The purpose of the certification is to provide the Civil Engineers with additional training to prepare quality ESCP for large projects.

The new requirement for CESCPP to prepare the Erosion and Sediment Control Plan for Category 1C, 3, 4 and 5 projects, in accordance with the respective Sections 20-3-20(a), 20-3-22(a), 20-3-23(a), and 20-3-24(a), will be deferred until further notice. The site containing training module to obtain the Erosion and Sediment Control Plan Preparer certification is currently under construction.

Thank you for your patience.
