CENTRAL O'AHU
SUSTAINABLE COMMUNITIES PLAN REVIEW
PARTICIPANT RESPONSE FORM

I would like to

☐ Be on the Central O'ahu SCP Review mailing list to receive information about the status of the Review and notices of meetings and workshops. (If you provide your e-mail, the notice will be sent by e-mail rather than regular mail.)

☐ Provide information about projects or issues that will be important for Central O'ahu's future. I would like to share:
  _ Reports and Other Research Materials
  _ Handouts
  _ A Map, Picture, or Display Board

☐ Meet with Department of Planning and Permitting staff in an interview or small group meeting to discuss
  o our experiences and evaluation of the past eleven years of Central O'ahu development,
  o our vision for Central O'ahu's future,
  o projects and programs that we are developing or proposing for development in Central O'ahu,
  o research issues and findings important for Central O'ahu, and/or
  o our suggestions for ways to revise and improve the Plan.
