Prepared By:  
Helber Hastert & Fee, Planners

The Kahaluu Community Master Plan provides a framework to guide the future development of Kahaluu. The Plan identifies 42 diverse projects that reflect the community's preferences for facility and physical improvements, including:

- Enhancing the Kamehameha and Kahekili Highway intersection and surrounding commercial properties.
- Implementing the Kahaluu Regional Park Conceptual Master Plan.
- Improving vehicular and pedestrian/ bicycle connectivity between key community activity nodes.

- Undergrounding overhead utility lines along major community thoroughfares, with priority given to Kamehameha Highway.
- Improving traffic and pedestrian/bicycle safety along Kamehameha Highway.
- Enhancing *makai* views and the rural streetscape along Kamehameha Highway.
