

The Base Realignment and Closure (BRAC) Commission recommended the closure of Naval Air Station (NAS) Barbers Point in its June 1993 report to President William Clinton. The recommendation was reviewed and accepted by the President and confirmed by the U.S. Senate in September 1993. NAS Barbers Point disestablished on July 1, 1999.

This Special Area Plan presents the recommended plan for the reuse of NAS Barbers Point.
