

The Wahiawa Urban Design Plan document is presented as a “How To” manual for implementing urban design recommendations jointly developed for the town by the City and County of Honolulu’s Planning Department and the Wahiawa Urban Design Plan Task Force. Although this plan contains some background information on how it was developed, its emphasis is on the “Vision” of Wahiawa and how to get there.

Wahiawa Urban Design Plan

Preface

1. Introduction

2. Plan Implementation

- Highway Signs to Wahiawa
- Gateways to Wahiawa
- Streetscapes of Wahiawa
